Contemporary architectural masterpiece

With refined symmetry and an exquisite visual impact, H-Estate is an interaction of contemporary architectural design and manicured park-like grounds. Awarded the finest inclusions and fashioned in a 'perfect neutral palette', the interior fitout of H-Estate reads like an 'exceptional taste and brand royalty' almanac. As you enter the residence, European oak floors guide you past a dual front Escea fire place that separates the formal and casual living zones, toward the luxe kitchen, where a Carrara marble benchtop hosts a dual gas and induction Wolf cooktop with integrated extraction.
